EYE CATCHER!

With the General Lee and Moviecar Photobooth, you have a stunning eye-catcher for your event. Every visitor gets their photo taken during your event.

We provide your guests with **an experience of a lifetime**. At your event location, we set up the General Lee + Moviecar Photobooth.

The setup offers various configurations, depending on:

- The location
- Your preferences
- The available budget

PRINT + SHARE!

Your guests' experience is made complete. After taking the photo, it is instantly printed in full color (within 8 seconds) and handed to them.

A hard copy of your unique experience, right in your hands... unforgettable.

Share with the World!

Additionally, guests can download their photo by scanning the QR code on the photobooth with their smartphone.

This makes **sharing on social media** or via email super easy!

IN OR OUT?

A great opportunity for your organization to go viral. Adults can sit in the car (and see their eyes light up at that moment).

But we understand that even the "young ones" would love to have such a cool photo.

We can offer two photo options:

1. **A photo with backdrop** (sit in the car)
2. **A photo without backdrop**, but with branding (Great for group photos with friends or families with small children)

This way, there's something for everyone, making it all the more fun!

BANNER(-S)

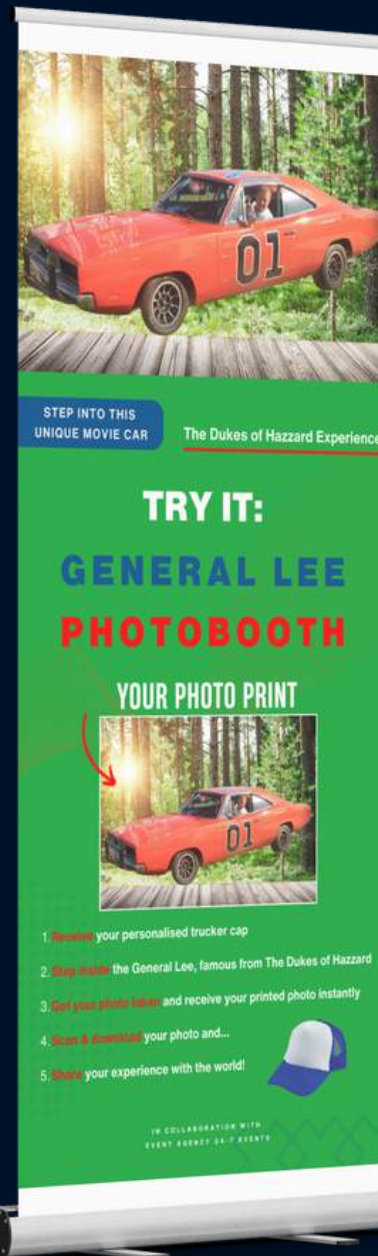

"What's the deal here?"

A question we often hear from visitors. The Moviecar Photobooth concept is so unique that most people don't know what to make of it right away.

And let's be honest: *How often have you heard of this concept yourself?*

We can place a banner (for an additional fee) by the car and photobooth to invite guests to participate in the experience. **(TIP: Ask for our additional trucker cap station!)**

An extra attention grabber, perfect for events.

NIEUW

Supergave en unieke combinatie van een photobooth met de iconische General Lee en het laten maken van een gepersonaliseerde truckers cap zorgde voor 4 dagen veel bekijks en drukte op onze stand tijdens de AgroTechniek Holland 2024.

Veel enthousiasme en toewijding vanuit het team van Evenementenbureau 24-7 Events. We hebben een goede beurs gedraaid met heel veel positieve reactie van onze bezoekers, bedankt!

The cooperation with the Evenementenbureau 24-7 Events agency and also the installation and host we booked through this agency was always very professional, smooth, courteous and, last but not least, very friendly. As an event organizer, you want a partner who leaves nothing to be desired when it comes to booking artists and/or installations. We are looking forward to many more wonderful moments together with Evenementenbureau 24-7!
